**DEFENDANT, TOWN OF SHERBORN'S  
MOTION FOR SUMMARY JUDGMENT**

Pursuant to Rule 56(b) of the Federal Rules of Civil Procedure, the defendant, Town of Sherborn [hereinafter “defendant”], hereby moves for summary judgment as all counts of the plaintiffs’ Complaint against it. Pls’ Compl. The defendant states that there is no genuine dispute of material facts, and he is entitled to judgment as a matter of law. Specifically, the undisputed evidence establishes that the defendant had no notice of the alleged defect which the plaintiffs claim caused them injury. Without evidence of notice there can be no breach of duty and thus no liability. Oliveri v. Massachusetts Bay Transportation Authority, 363 Mass. 165, 167, 292 N.E.2d 863, 864 (1973). Hence all of the plaintiffs’ claims fail on this ground. Second, the plaintiffs’ loss of consortium claims fail because the plaintiffs neglected to make presentment as required by the Massachusetts Tort Claims Act. MASS. GEN. LAWS ch. 258 § 4. Lastly, consortium plaintiff Erik Koran’s claim fails because he was not yet conceived as of the date of the underlying incident. Lareau v. Page, 39 F.3d 384, 390 (1st Cir., 1994).

The defendant submits the attached Exhibits 1-16, Memorandum of Law, Rule 7.1 Certification and Rule 56.1 Statement, and the following Exhibits in further support of this Motion:
